

4th ABU AWARDS ON CLIMATE CHANGE AND DISASTER RISK REDUCTION

CONTEST RULES

This ABU contest aims to inspire content producers across the Asia-Pacific region and beyond to cover the two most critical issues for the future of mankind – climate change and disasters. The ABU will honour innovative and creative Radio and TV Programmes, which inform and educate audiences about best practices in climate change adaptation and disaster preparedness. The contest is run annually and is attached to the ABU's Media Summit on Climate Action and Disaster Preparedness.

This year will be the 4th edition of the contest and the winners will be announced on 26 April 2019 at a Gala Award Ceremony during the ABU Media Summit on Climate Action and Disaster Preparedness, 25 – 26 April 2019, Kathmandu, Nepal.

Judging

A jury of five distinguished media professionals, nominated by the ABU Secretariat, will select the winners in 4 categories and 2 special awards.

Awards Categories:

1. Best Radio Feature on Climate Change
2. Best TV Feature on Climate Change
3. Best Radio Feature on Disaster Preparedness and DRR
4. Best TV Feature on Disaster Preparedness and DRR

Special Awards:

- Best Human Story
- Most Promising Young Producer
